THE GARY SEVEN BOOK OF JOKES

Volume 10

Hello everyone. This is your wonderful host, Gary Seven. I want to express my appreciation for your comments. As requested, here is book 10 of more jokes. I hope you enjoy. Don't forget to smile.

I'm annoyed by people that brush their teeth with their left hand. I mean, a toothbrush works much better.

For my college marketing class, I did a report on why I should invest in his sword making business. The professor said I made some excellent points.

My friend sold his vacuum cleaner. He said it was just collecting dust.

My friend told me his girlfriend wanted to split up because he kept pretending to be a detective. He said it was a good idea and that they could cover more ground that way.

The internet connection at my farm was really poor, so I moved the modem to the barn. Now I have stable Wi-Fi.

Don't date girls that wear makeup. They might mascara you away.

I just invented a car that only moves when the driver is silent. I guess, it goes without saying.

My mom said to follow my dreams. So I went back to bed!

My friend just found out he's being followed! His girlfriend told him she's been seeing people behind his back.

I don't mind following rules at work, but when my boss told me to stop impersonating flamingos. I had to put my foot down.

Did you hear about the math teacher that is also a successful model? That's what I call a significant figure.

Don't date girls that wear makeup. They might mascara you away.

Did you know Captain Kirk has three ears? A left ear, a right ear and a final front ear.

When I was a kid, I put makeup and little wigs on marijuana cigarettes. My friends called me silly, but I think it's pretty dope.

Did you hear about the magician can make chocolate vanish? He had some Twix up his sleeve.

Captain Picard was upset with engineering when the Enterprise's sewing machine broke? He ordered; make it sew.

My friend saw a cute girl wearing a chessboard patterned shirt. He made a move on her.

My friend told me his girlfriend wants to break up because of his addiction to wearing a different t-shirt every half an hour. He told her, "Wait! I can change."

I swapped a Sarcophagus for a bottle of Bacardi. It was certainly a rum for my mummy.

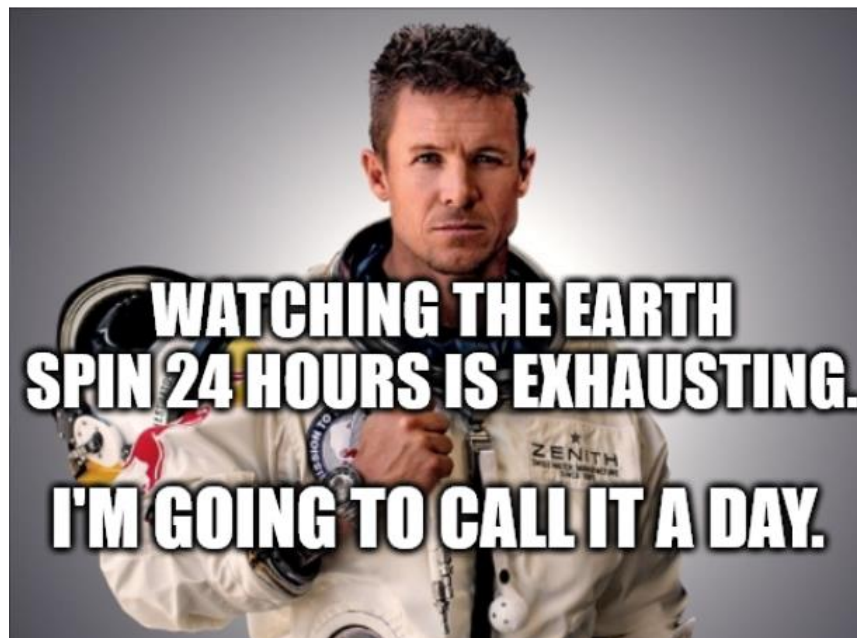

My friend thought it was romantic to secretly swap his girlfriend's backpack for a bag of roses. Her skydiving instructor didn't think so.

NEWSFLASH: Man arrested for swapping the names on the tombstones. Police told him it was a grave mistake.

I decided to trade our bed for a trampoline. When my wife found out, she really hit the roof.

Did you hear about the foreigner that accidentally sprayed deodorant in his mouth? He now has a strange axe scent.

The enemy sneaked into an army base. He killed a private, a lieutenant, and two generals. Fortunately, there were no Major casualties.

The U.S. Surgeon General issued a warning telling people not to run while smoking marijuana. It's hard on your joints.

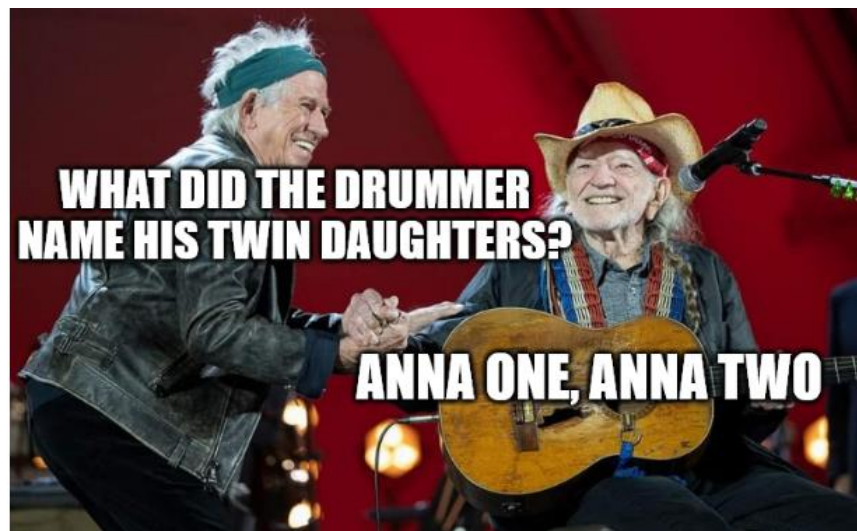

Did you hear about the vampire that refused to put on makeup before a date? He just couldn't see himself doing it.

She broke up with her boyfriend because he kept referring everything to Batman. What a joker!

My friend tells girls that he parks truck side by side. He says it's a great pickup line.

Scientist claim that they discovered when the shovel was invented. It was a ground breaking discovery.

Newspapers posted a threat of violence on their bulletin board. It was under a tack.

Two newsletters were talking. One asked the other for a favor. The other replied, "Bro sure!"

My friend started a podcast talking about cryptocurrency every evening. She's calling the podcast "De-Fi Nitely."

NEEDS DATING ADVICE: My friend commented that his girlfriend should tone down on her makeup, that she and drawn her eyebrows a little high. She looked surprised.

Did you hear about the vampire that refused to put on makeup before a date? He just couldn't see himself doing it.

When I was a kid, I put makeup and little wigs on marijuana cigarettes. My friends called me silly, but I think it's pretty dope.

Don't date girls that wear makeup. They might mascara you away.

When listening to hi frequency music, and someone slaps you... it hertz.

CNN is replacing its star ratings with thumbs up and thumbs down. Whether you like it, or not.

I always thought that my thumb was on the left side. On the other hand, it could be on the right.

I don't like being hit with a sausage. It's the wurst.

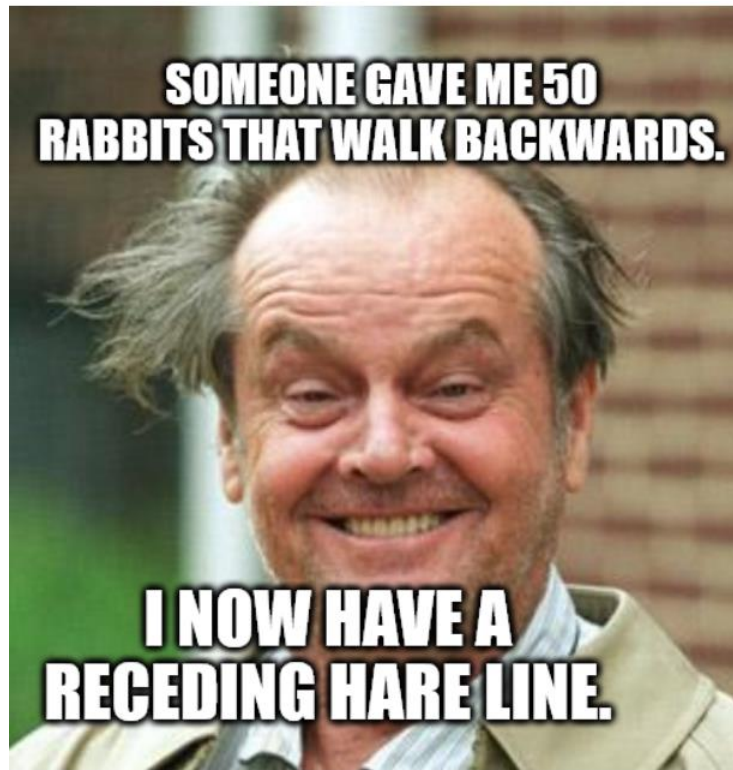

My wife got angry with me all because I bought her a puppy for Christmas. I thought she would be happy to hear she's getting a little husky.

Dating advice: Don't date a girl that knows how to use a nail gun. She might think that you're a stud.

Did you hear about the police officer that shot a bar of soap? The bullet went clean through.

Is it crude to make jokes about oil now? Nah, it's oilright.

Do you know what the hole in the ground said to the oil rig? I'm bored.

I don't like to cook with vegetable oil. It was a Wesson I learned a long time ago.

Someone hit me with a bottle of omega fish oil. Fortunately, my injuries were only super-fish-oil.

Took me a while to come up with a carpenter joke. But I nailed it.

I once stayed up all night trying figure out where the sun went. Then it dawned on me

Bankers' pickup line: "Hey, are you an interest rate? Because I'd love to Compound you."

Hollywood made an R-rated movie with no blood, no nudity and no profanity. It was a little overrated.

Did you hear about the flat-earther that rated our Solar System? Gave it one star.

My friend failed his calculus exam because he was sitting between two identical twins. He said it was impossible to differentiate between them.

Everyone complained saying that I was obsessed with boat puns. Canoe believe that?
