THE GARY SEVEN BOOK OF JOKES

Volume 7

Hello everyone. This is your wonderful host, Gary Seven. I want to express my appreciation for your comments. As requested, here is book 7 of more jokes. I hope you enjoy. Don't forget to smile.

What did the man say when a piano fell on top of his friend? You'd b-flat.

My only plans today are to buy some glasses. After that, we'll see.

I invented a thought-controlled air freshener. It makes scents when you think about it.

Investors are putting their money into a glass-topped coffin to see if it will sell. Remains to be seen.

Weighing an elephant is much like weighing a person. But it's on a much larger scale.

Most Americans wear tank tops because of their Right to Bare Arms.

Our top donut baker announced his retirement today. He said he's tired of the hole business.

I got in trouble at the top-secret Heinz factory today. I spilled the beans.

Jokes about Hamlet on top of a dictionary is getting annoying. When it's just a play on words.

The Confederacy had some great military leadership. General Lee speaking.

My wife got a haircut, earrings, air pods, and makeup after she won the lottery. All that money really went to her head.

The world tongue-twister champion was arrested. The judge is going to give him a really tough sentence.

I retired from the bomb squad today. I had a blast working there!

I got fired from my job as a masseur. It seems that I just rub people the wrong way.

A Covid test nurse asked my friend if he had a sudden loss of taste. He said, "No, I've dressed like this for quite a while."

If your coffee tastes like mud, it's probably fresh ground...

My 10-year-old son tried his first cup of coffee today. He said it taste like dirt. I told him it was just ground this morning.

Two sharks were eating a billionaire in the ocean. One looks at the other and asks, "Does this taste a little rich to you?"

What would happen if skunks lost their smell? Would they become ex-stinked?

I hate it when chefs gossip. All they do is stand around and stir the pot.

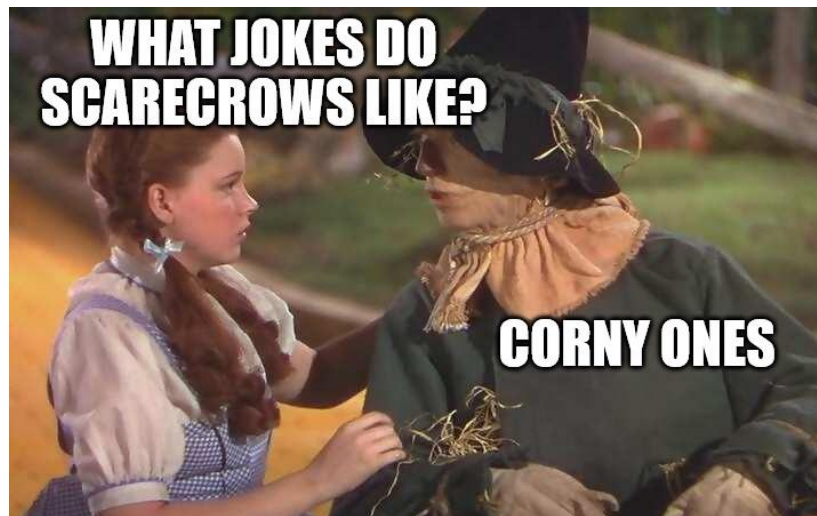

If someone else invented the airplane, it just wouldn't be wright.

Did you know Darth Vader has a right-wing billionaire cousin. His name is Tax E. Vader.

My dad made homemade chicken soup. He calls it 'Chicken Napoleon' because he made it from the 'bony parts'.

My wife always tells me that soup is better with flavor cubes. I don't put too much stock in it.

My bird Nicole flew away. Now I have a Nicoless Cage.

People who fly from Spain are always dry, especially if it's raining. That's because the rain in Spain stays mainly in the plane.

**What did Scotty say to Kirk as The Enterprise flew over western England?
"Captain, Thar be Wales here!"**

**A sniper shot a bullet through my friend's window and broke his monitor.
There must be a better way to take a screenshot.**

I have a copy of nearly every Psychology Today magazine ever published. You could say I have a lot of issues.

I just published my first book on Poltergeists. Copies were flying off the shelves.

I'm not sure about writing a book of poetry for Star Trek fans. The project had its prose and Khans.

I once raised rabbits inside my house. I told everyone I had ingrown hares.

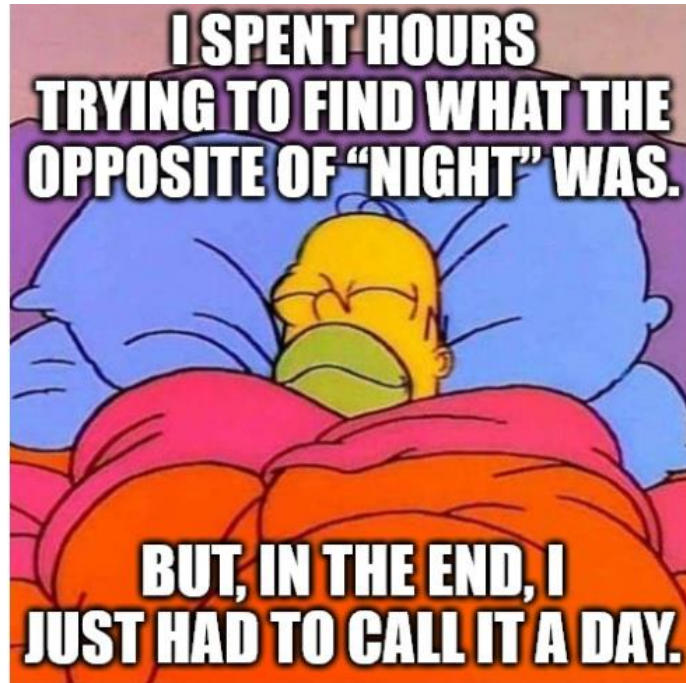

Did you hear about the invisible man walking into the lady's locker room? They didn't see him coming.

My friend told me that when his wife died, he couldn't look at women for 20 years. But when he got out of prison, it was totally worth it

Did you hear about the guy waiting to get hanged? The suspense was killing him!

**My friend was kissing a girl on her sofa. She said, “Let’s take this upstairs.”
“Okay,” he said, “You grab one end and I’ll grab the other.”**

I have a friend who is single. He goes to the farm and collect eggs. It's the best place to pick up chicks.

I quit my job to start a cloning business. It was great! I love being my own boss.

I would like to have a discussion about the book: "War and Peace". But it's a long story.

Why are trees such good friends? Because they like to stick around.

The moon landing was fake. The moon is still up there. It didn’t land anywhere.

My wife was annoyed and told me to stop with the dinosaur jokes. I told her Jurassicing a lot of me.

Do you know when cherries like to chill out? On a Sunday.

I heard that the first restaurant to open on the moon did not go over very well. Great food, but no atmosphere.

My friend cannot take cooking instructions very well. The instructions said, “Chill in the fridge for an hour.” He nearly died.

My friend thinks that he is a mushroom. I still like him. He's such a fungi.

Kids in grade school are obsessed with the moon. I think it's just a phase.

Police are looking for the computer hacker. They cannot find him. I think he ransomware.

People in your kitchen are American. People in your basement are Russian. People in your kitchen are Italian. But who is in your bathroom? European.

I wonder if my best friend is having an affair with my wife. He's been miserable lately.

NEWSFLASH: Police detectives have found a list of negative numbers at a crime scene. It doesn't add up.

My wife says that I don't respect her privacy. At least that's what she said in her diary.
