THE GARY SEVEN BOOK OF JOKES

Volume 8

Hello everyone. This is your wonderful host, Gary Seven. I want to express my appreciation for your comments. As requested, here is book 8 of more jokes. I hope you enjoy. Don't forget to smile.

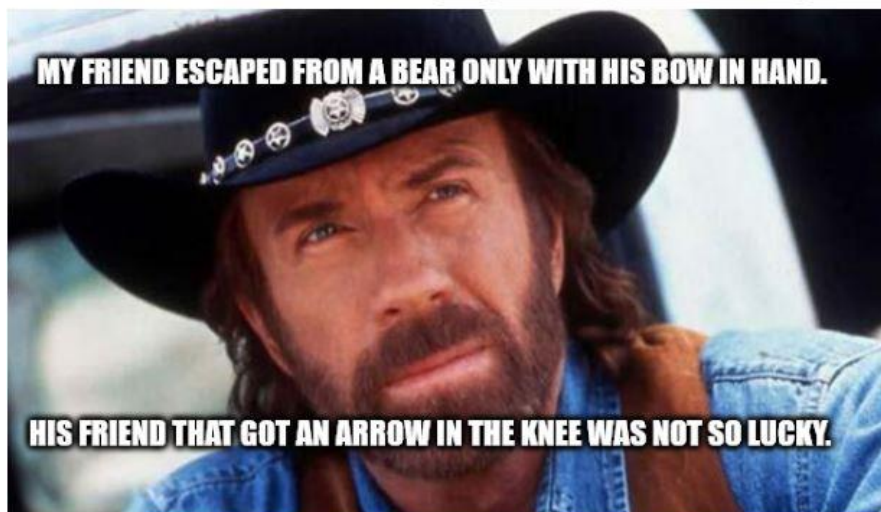

Did you hear about the pick pocket that only stole candy bars? He has a few Twix up his sleeve.

My wife gave me two kayak paddles. She then asked, "Which one do you want?" I replied, "I'd take either/oar."

My friend accidentally swallowed several scrabble tiles. The doctor said that his next bowel movement could spell disaster.

A nice girl gave me a peach. When I told her I prefer pears, she handed me another one.

A student handed in his exam. He was frustrated and said, "I've been writing for two hours, and I haven't answered a single question!" "Good job! That's a straight A," replied his Politics Teacher.

For some reason, every time I stick my hand inside a feather pillow, I feel down!

What was a famous 70's cookie band? OREO Speedwagon!

Halfway through, I accidentally deleted my wife's audiobook. Now I'll never hear the end of it.

A young kid was pulling a line of string along a sidewalk. A lady asked him, "Why are you pulling that string along?" The kid replied, "Have you ever tried to push a string?"

I told the paramedics the wrong blood type for my ex. She now understands rejection.

Professional tennis players will make their own equipment. Anything off the shelf is a racket.

NEWSFLASH: Police arrested a man suspected for a robbery wearing stockings and suspenders. However, the Chief of Police insisted they wear their normal uniform.

I saw my ex-girlfriend at the other side of the museum today. I quickly walked away. There was too much history between us.

My friend's girlfriend told him she prefers No Strings Attached. He's nervous because she wants to go parachuting.

Someone threw a brick at my friend's car. The police didn't do anything. They said there wasn't enough concrete evidence.

My ex used to hit me with stringed instruments. If only I had known about her history of violins.

My biology professor grew human vocal cords from stem cells in his lab. I guess you could say that the results speak for themselves.

I want to buy a kitten by mail. I may order it from the Cat-alogue.

My friend ate a kid's meal at McDonalds today. His mom was furious.

What do European say when they see something very disgusting? "EU."

HISTORY LESSON: In 1942, a bomb was dropped on a French cheese factory. De brie was everywhere!

I don't know who it is, but someone keeps leaving me random Lego blocks. I don't know what to make of it.

A blacksmith sold me a dog. The moment I got it home; he made a bolt for the door.

You cannot trust a smuggler that hides drugs in the sole of his shoe. It's probably laced.

A crow filed a discrimination complaint at his job. They fired him without caws!

Bruce Lee has a brother that always shows up to work a half hour before his shift begins. His name is Earl Lee.

Did you hear about the fortune teller that is selling faulty jetpacks? Prophets are flying through the roof.

Spiderman decided to use a pistol. He won't change his mind. He's sticking to his guns.

I don't like reading a horror story in brail. Something bad will happen. I can feel it.

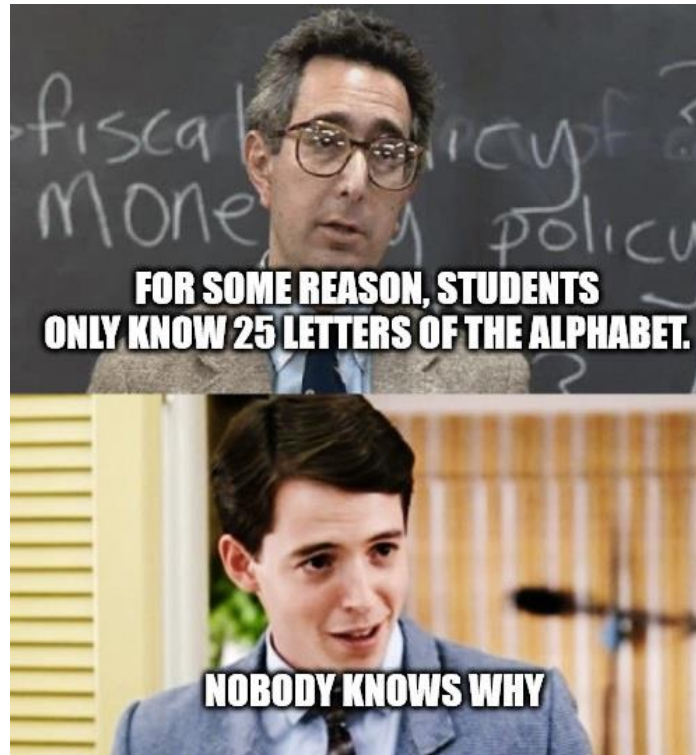

I friend grew an entire foot the summer after his 8th Grade. It took 3 surgeries to remove.

The mailman told me he's off to Spain tomorrow. I asked him if he was going to Parcelona. He didn't laugh. I guess the key to a good mailman joke is the delivery.

What's a crows favorite morning drink? Cawww-ffee.

NEWSFLASH: A writer was arrested for using a semicolon and broke some grammar laws. He was given two consecutive sentences.

I took a crow out for a drink. We went to a crow-bar.

My friend's daughter didn't know what to wear to her ballet practice. It took her a while to put tu and tu together.

I see crows on telephone poles all the time. They must be making a long-distance caw.

A three-legged dog walked into the old wild west saloon. He said to the bartender, "I'm lookin' fer the guy who shot my paw."

We didn't have a town drunk in my hometown. Everyone took turns.

What did Bruce Wayne's date say after they saw a Batman film for the 9th time? Dinner, dinner, dinner, dinner, dinner, dinner, dinner, dinner, BATMAN.

I always assumed China had extremely sophisticated spying technology. Well, that balloon has burst.

A pirate asked me where he could get a hook. I told him to go to the second-hand store.

To everyone suffering from paranoia, let me just tell you: You are not alone.

A lady spoke to me this morning. She assumed that I'm a vegetarian. I swear I never met herbivore.

I always assumed that 9 out of 10 redditors are guys. But I'm only wrong 10 percent of the time.

You shouldn't assume that a janitor can clean your chimney. Don't make sweeping generalizations.

My friend thought that he could fly and jumped off the cliff of Mount Everest. You could say he jumped to his conclusion.

My friend wanted to hear puns about chickens. I told him that I can't stand fowl jokes.

I guess I shouldn't complain about the guitar that my friend gave me. I wish I could play it. But it's not often that you get a gift with no strings attached.

How do the crows in Texas greet each other? Yee-caw.

Did you know that dogs bark on an average of 787 times a day. But that's just a ruff estimate.

Where do math teachers go on vacation? Times Square.

My neighbor was bragging how his new 3D printer can print a gun. I told him that I wasn't impressed, I've had a Canon printer for years!

Did you hear about the agreeable French pig? He went oui oui oui, all the way home!

Why wasn't the wild pig invited to any parties? Because everyone thought he was a boar.

THANK YOU

GARY SEVEN
