# **THE GARY SEVEN BOOK OF CRYPTO CURRENCY**

Hello everyone. This is your wonderful host, Gary Seven. I have a friend who understand crypto currency. Like yourself, my friend enjoys my joke books. Therefore, I decided to create a joke book for those that are wanting to get involved with the crypto market. I hope this brings you a smile and a few laughs.

**I got a great name for a heavy metal band that has financial problems. Megadebt.**

**Restaurants that refuse to use crypto usually have financial problems? I guess there is no Accounting for Taste.**

**Banks do not want you to switch to crypto. They are afraid that they will lose interest.**

**Don't take financial advice from a chef? They like to whisk it all.**

**Coinbase called me and asked, "What's your net worth?" I said, "I don't own a net."**

**Only buy crypto during the daytime. Otherwise, it will be your crypto-night.**

**Some people call it grave robbing. I call it crypto-currency.**

**Clark Kent looked ill when I invited him to our Bitcoin trading party yesterday evening. I wonder if he had a reaction to Crypto Night.**

**Why do bitcoin investors want a Lambo? They know Ferarri is owned by Fiat.**

**How can you tell who owns bitcoin at a party? Don't worry, they'll tell you.**

**You shouldn't bother someone who collects bitcoins? After all, they're mining their own business.**

**I have a joke on Bitcoin. Unfortunately, it requires so much energy to get it.**

**If Bitcoin eventually goes under, will it go to the Crypt O' Currency?**

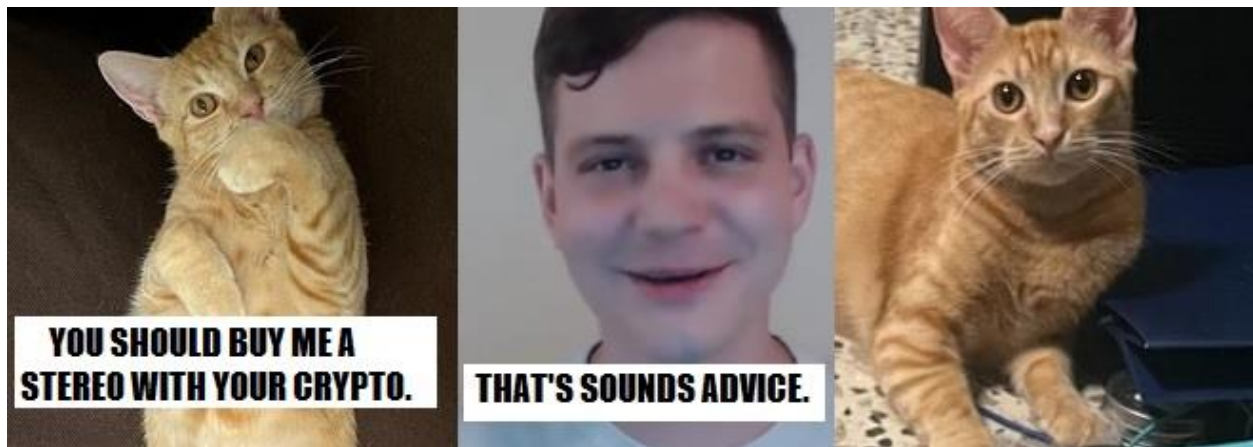

**What did a bitcoin investor say to the man who wanted some bitcoin? MINE!**

**I asked Alexis if a Bitcoin has two sides, but Alexis couldn't make heads or tails of it. The top result just didn't make cents.**

**The new coin coming out is worth 8 times more than bitcoin! It's called a bytecoin!**

**Horses are investing in crypto currency. They want a stable dollar.**

**My dog chewed on a quarter. You could say that he bit-coin.**

**I have a spreadsheet so that I can track all the chocolate toffee bars I've eaten. It's my Heath ledger.**

**What e-wallet do perverts use? Touch'n Go.**

**To the guy that found the keys to my empty hardware wallet... I don't know how to repay you.**

**So, my wife's crypto wallet got stolen 6 months ago. I haven't reported it to the police yet because the thieves are spending less than she does.**

**Do you know why scammers try to hack your wallet? Because they don't keep cache.**

**My cold wallet is like an onion. Every time I look at it, I cry.**

**Why do factory owners make hardware wallets out of plastic instead of cotton? They are too clothes-minded.**

**If you are having trouble unlocking your front door, take out your hardware wallet and arrange all the keywords in mathematical order. Because organizing your finances is key.**

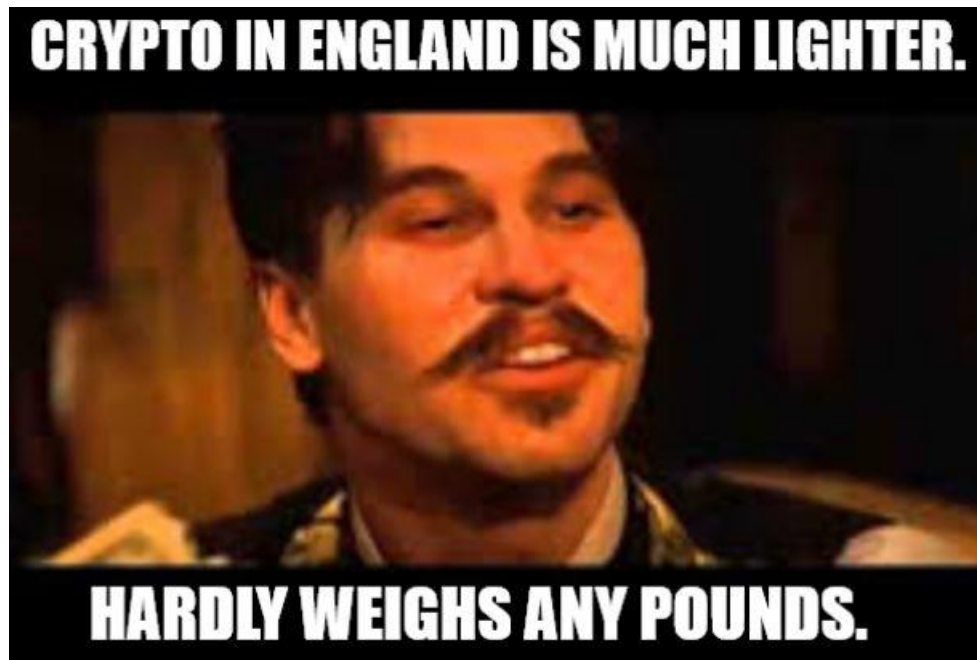

**Pirates used to verify their purity of a gold coin by biting into it. It seems that criminals only accepting payment in bit coins goes a long way back.**

**Almost all bitcoins look the same. This must be what we call a coincidence.**

**Why won't Americans switch to a crypto coin? They're afraid of change.**

**I went mining in Germany hoping to find an old bitcoin. I missed the mark.**

**I bought a belt to hold all my hardware wallets. It cost me \$500.00. It is a waist of money.**

**My friend and I had a contest to see who could throw their hardware wallets higher. My friend won the coin toss.**

**My friend threw his hardware wallet into a wishing well. It was money well spent.**

**I went to an ATM to get cash from my crypto card. It gave me cash, but no change. It's non-cents.**

**I tried flipping my bitcoin but was confused. I can't make heads or tails of it.**

**NEWSFLASH: Crypto traders are rushing out to buy ladders. They heard bitcoin is on the rise.**

**My crypto friend got locked out of his house yesterday. He couldn't find his private key.**

**Do you know where Santa hides his crypto currency? In his cold wallet.**

**Did you hear about the hipster crypto that burned out his GPU? He was mining before it was cool.**

**Crypto investors don't trust butchers. They have no proof of steak.**

**What do you call Johnny Cash's millennial grandson? Johnny Bitcoin.**

**Today someone was explaining to me how the cryptocurrency market was changing, even though I already knew. It was a bit coin descending.**

**I have a Bitcoin joke, but it requires too much energy to get it.**

**What kind of money do vampires use? Bitcoin.**

**Why did a trader take his Bitcoin to the gym? He wanted to pump its value.**

**Why did a Bitcoin trader go to therapy? He had a lot of blocks to work through.**

**What do you call someone in China who secretly gives away Bitcoin? Crypto-communists.**

**What do you call a Bitcoin that lost weight? A lite coin.**

**I confessed to my therapist that I have been stealing other people's Bitcoin. He called me his first crypto maniac.**

A teenager decided to buy and steak Ethereum with his weekly allowance. It was an act of DEFIance toward his parents.

Bruce Wayne had a son who was brilliant at investing, especially in Bitcoin. Bruce introduced his son to the Justice League. Everyone loved him except for Superman, who quit the Justice League. He couldn't work with a crypto knight.

Did you hear about the turkey that used bitcoin? It was a tryptophan.

Banks will sell you crypto, but only if you climb to their ceiling and purchase it. They advertise that it's on the house.

**THANK YOU**
